The Selected Bidder may withdraw its bid, for any reason, before the expiration of the Due Diligence Period by notifying the City in writing of its withdrawal. In the event of such withdrawal, the City may, but is not obligated to, select the next-highest bidder as a Selected Bidder. If the City does so, that Selected Bidder will have a similar Due Diligence Period and will have a similar right to withdraw if it so desires.
- 3.08 Final Award or Rejection of Bids by Mayor or City Council. After award of a bid, the transaction shall be binding, subject only to the preparation and execution of the documents necessary to consummate the transaction. After award of a bid, the bidder submitting the awarded bid will be referred to as the "Buyer" and the Buyer's bid deposit shall be nonrefundable.
- 3.09 Closing Arrangements:
- A. Execution of Documents. On or before the time specified in Section 4.05, after the City has executed the Sale Documents and the documents are available for delivery to the Buyer, the City shall notify the Buyer in writing of the location and the time that the closing of the transaction will occur (the "Closing Date"). The transaction will settle on such date, at which time the Buyer will pay the full balance due under the terms and conditions set forth herein. The Buyer's duty to proceed with the transaction shall not be subject to Buyer's acceptance, actual, constructive or otherwise, of the Sale Documents.
- B. Payment of Consideration by the Buyer: The Buyer will be required at the time of closing to pay the difference between the full amount of the bid and the amount of the bid deposit. If a bidder's bond was furnished as the bid deposit, the full amount of the bid will be due and payable at the time of closing. Payment of any cash consideration must be made in "good funds" under Texas state law.

- C. Settlement and Other Expenses. The City will be responsible for any expenses associated with the preparation of the Sale Documents. The City shall not be responsible for any other fees associated with this transaction.

City of Houston Charter, Article VII, §4, and Code of Ordinances, Section 15-1, make void any contract in which a member of City Council, officer of the City of Houston, or employee of the City of Houston has a direct or indirect pecuniary interest. An Affidavit of Non-Interest, attached hereto as **Exhibit "D,"** must be submitted as part of the bid documents.

#### **SECTION 4 - TERMS AND CONDITIONS OF SALE OF SURPLUS CITY LAND**

4.01 Rejection of Bids. City Council reserves the right to reject any or all bids at any time prior to the passage of the ordinance authorizing the Mayor to execute and the City Secretary to attest a deed conveying to the Selected Bidder the land offered by the City for sale. A bid will be automatically rejected when:

- A. It is not accompanied by at least the prescribed amount of the bid deposit as specified in Section 2.02;
- B. It is not submitted in duplicate;
- C. Both copies of the bid form are not signed as specified in Section 2.01 (A);
- D. It is not submitted on the City's bid form;
- E. It is submitted after the time and date specified in the City's SEALED BID SALE NOTICE for receipt of bids;
- F. It is not accompanied by a signed Affidavit of Non-Interest.

4.02 Non-Payment of Brokerage Fees. The City will not pay a brokerage or real estate agent's fee on the sale of City land.

4.03 No Bidder's Withdrawal Rights. Under no circumstances will a bidder be entitled to withdraw the bid once the City Secretary has received the bid deposit.

4.04 City's Rights Upon Failure of Buyer to Close the Transaction. When the deed conveying the parcel offered for sale by the City has been executed by the Mayor and is ready for delivery, the Buyer will be notified by mail where to call to accept delivery of the deed. If for any reason the Buyer should fail to render full payment of the consideration upon which the bid was based within thirty (30) days after the mailing of the aforesaid notice, such failure shall be construed as a refusal to pay the consideration due the City under the terms of the bid and as a refusal to accept the City's deed. Should the Buyer for any reason fail or refuse to close the transaction within the thirty (30) day period, the City shall have the right, at its option, to retain the bidder's deposit or, if a bidder's bond was furnished as the deposit, to be paid the amount of the bond by the bonding company, the amount of the deposit or bond being agreed upon as liquidated damages because of the inconvenience of ascertaining the actual damages and the uncertainty thereof. In addition to the foregoing, it is understood and agreed that the

City shall have the right, at its option, to pursue any and all other remedies available to it at law or in equity, including, but not limited to, the right to demand specific performance on the part of the Buyer. If the City is successful in enforcing the right to specific performance, it is understood and agreed that upon the City's demand, the Buyer shall pay the City's reasonable attorney's fees incident thereto.

4.05      Conveyance by the City. Subject to its right to reject bids under Section 3.01, the City shall tender an executed deed conveying the land offered by it for sale within thirty (30) days after the date of passage of the ordinance determining a buyer. Failure on the part of the City to tender such deed within the thirty (30) day period shall entitle the Buyer to refuse to close the transaction by giving written notice to the Director, Real Estate, Building Services Department. Upon receipt of written notice of refusal, the City will refund the Buyer's deposit. Neither the City nor the Buyer shall be liable to any party in any respect as a result of such refusal to close the transaction under this circumstance.

4.06      Bidder's Duty to Inquire As to Quality of Title and Survey. Each bidder shall be solely responsible to inquire as to the quality of the title of the Property. The City will provide a survey of the Property that it has obtained on the City's website; however, the City does not guarantee the accuracy or completeness of such survey.

4.07      Rights of Person in Possession. If the Property is, or appears to be, in the possession of any person whomsoever, each bidder, before submitting a bid on the parcel, shall satisfy himself as to the rights, if any, of the person in possession. The Buyer shall not be entitled to refuse to close the transaction because of the rights of any person in possession on the date the bid was submitted.

4.08      Ad Valorem Taxes. Should there be any tax payments due, it is specifically understood and agreed that the Buyer will be purchasing the Property subject to such tax liabilities and will be responsible for payment thereof. By acceptance of a deed from the City of Houston, the Buyer is put on notice that the land conveyed to him will thereafter be subject to assessment for all taxes.

4.09      Conveyance Instruments. The deed conveying the Property will be based on the description of the land prepared by the Building Services Department, or on such other legal description as may be approved by the City Attorney. The deed shall be executed and acknowledged on behalf of the City by the Mayor (or in the Mayor's absence, the Mayor Pro Tem) and attested by the City Secretary under the City Seal. The name of the grantee in the deed shall be the same as the name on the bid form of the person, corporation, or other entity submitting the bid. The deed shall be in the form commonly referred to as a "Special Warranty Deed" under which the City will warrant title "... by, through, or under itself, but not otherwise ...," and the conveyance shall be subject to all easements, public utilities, restrictions, covenants and conditions of record, and any other special restrictions specified in the bid proposal.

4.10      Environmental.

A.      Environmental Testing

(i)      By City. A copy of a Phase I environmental assessment report for the Property will be available on the City's website. The City does not make any warranty or representation as to the accuracy or completeness of said

report. The Selected Bidder may have a Phase II environmental assessment report and an asbestos and lead-based paint survey of the Property prepared during the Due Diligence Period in accordance with Section 4.10(A)(ii). In the event that an environmental assessment report indicates the presence of environmental impairment on the Property, the Selected Bidder's sole remedy shall be to withdraw its bid during the Due Diligence Period. In the event that the Selected Bidder so withdraws, the City may, but is not obligated to, offer to negotiate with the Selected Bidder regarding the environmental impairment; however, even if it elects to negotiate, the City will not materially change the net economic terms of the Selected Bidder's proposed bid.

- (ii) By Bidder. Upon notice that Property is offered by the City for sale (the "Notice Date"), any bidder shall have the right, after notifying the City in writing and in full compliance with this Section 4.10(A)(ii), to enter the Property to inspect, survey or conduct such environmental testing as such bidder may desire, whether for potential contamination in the surface or subsurface of the Property or otherwise (hereinafter referred to as "Testing"), at such bidder's sole cost and expense,. Any such bidder may enter the Property to conduct Testing upon consent by the City and subject to the following conditions: a) any contractor, consultant or agent used by such bidder for the Testing shall be, in the sole discretion of the City, acceptable to the City; however, the Testing shall be at such bidder's sole cost; b) the City shall have the right to observe the Testing and to take split samples; c) such bidder shall indemnify, defend and hold the City harmless from any and all damages (including damage to the Property), losses, claims, liabilities, penalties, costs and expenses (including attorney's fees) resulting from acts or omissions associated with the Testing, and this covenant shall survive the Closing or earlier termination of the bidding process; d) such Bidder agrees to obtain the insurance specified in Section 4.10(B); and e) the Testing and subsequent generation of a site assessment report, survey, quality-assured laboratory data, and other written report(s), if any, (hereinafter referred to as "Testing Results") shall be completed within thirty (30) days of the Notice Date, or the close of the bid period, whichever is earlier. Upon completion of the Testing of the Property and the subsequent generation of Testing Results, such bidder shall immediately provide the Testing Results to the City.

- B. Testing Insurance. If a bidder conducts Testing as outlined in Section 3.10 above, such bidder shall maintain, at its sole cost, or shall require any contractor, consultant or agent such bidder may engage to maintain at all times as required herein, the insurance coverage set forth below with providers satisfactory to the City with full policy limits applying, but not less than as set forth below. A certificate naming the City as an additional insured and referencing the indemnification provisions set forth in these Bid Specifications shall be delivered to the City prior to commencement of the Testing. Such certificate shall provide that any change restricting or reducing coverage or the cancellation of any policies under which certificates are issued shall not be valid as respects the City's interest herein until the City has received timely prior written notice of such change or cancellation.

Worker's Compensation Insurance as required by laws and regulations applicable to and covering employees of the bidder, its contractors, consultants or agents engaged in the performance of the Testing.

Employer's Liability Insurance protecting the bidder against common law liability, in the absence of statutory liability, for employee bodily injury arising out of the master-servant relationship with a limit of not less than Two Hundred Fifty Thousand and No/100 Dollars (\$250,000.00) each occurrence.

Comprehensive General Liability Insurance including products / completed operations with limits of liability of not less than One Million and No/100 Dollars (\$1,000,000.00) combined single limit. This policy shall cover, among other risks, the contractual liability assumed under the indemnity provision set forth herein.

Business Automobile Liability Insurance covering all vehicles used in the operations of the bidder with limits of liability of not less than Seven Hundred Fifty Thousand and No/100 Dollars (\$750,000.000) combined single limit.

- C. Environmental Reports. Executive summaries of the City's Environmental Reports and the bidder's Testing Results (if any) shall be listed as an exhibit to the ordinance authorizing the Mayor to execute the deed conveying the land.

4.11 Inspection. Each bidder represents that it (or its agents or consultants) will have inspected, by the close of the bid period, the Property, together with any buildings included in the sale, will be familiar with its condition, inclusive of substances in the soil or groundwater that may or may not be present, and, if named as the Buyer, will accept same AS IS, AND WITHOUT ANY EXPRESS OR IMPLIED WARRANTIES OR REPRESENTATIONS ON THE PART OF the City as to what that condition may be.

4.12 Restrictions:

- A. General. It will be the sole responsibility of each bidder to become familiar with whatever restrictions are enforceable on the land being offered by the City for sale, whether of record or not. The City makes no representations, guarantees, or warranties as to what may be built on the Property or as to what use may be made of it, with the exception of the billboard restrictions that follow.
- B. Billboard Restrictions. Any conveyance of land offered by the City for sale will be subject to a restriction against the erection of billboards. The restriction shall be embodied in the conveyance deed by the City in clauses substantially similar to the following:

"This conveyance is also made and accepted subject to Grantee's agreement, which agreement is a restriction upon and covenant running with the land, that neither Grantee nor its successors or assigns shall ever erect, place, use, or maintain any billboard or similar structure on the above-described premises for the display thereupon of any advertising; provided that this covenant shall not prevent the placing upon any building that may be erected thereupon, or upon the premises, of appropriate signs advertising the business therein conducted, the products therein sold, or otherwise reasonably incident to the occupancy and use of such building and the premises.

It is further understood and agreed, and such agreement shall also be a restriction upon and a covenant running with the land, that any violation of the foregoing covenant shall give the Grantor herein, its successors, or assigns the right to enter upon the Property and summarily remove any such billboard, sign board, or similar advertising device or structure at the expense of the owner, and such entry and removal shall not be deemed a trespass or conversion, and the Grantor, its successors, or assigns shall further have the right to enforce the performance of the covenant by the appropriate legal action, and no act or omission upon the part of any of them shall be a waiver of the operation or enforcement of such covenant or condition.”
